Sir:

Responsive to the Office Action mailed from the United States Patent and Trademark Office on October 31, 2002, please amend this application in the following manner:

In the Specification:

Replace the paragraph beginning on line 7 of page 3, with the following:

Although coextruded, multilayer polyolefin films have included both an antistatic additive and a migratory amide in them, to the best of Applicant's knowledge no prior art, coextruded multilayer film has included an antistatic
